Hotel & Local Travel

Hotel accommodations and local travel (ground transportation at destination) are not included in the engagement fee and will be charged to your master account. The hotel bill will include normal charges for one night. Speaking after noon will require a late check-out and speaking after 2:00 p.m. an additional nights lodging may be necessary.

Personal Requirements

Mitchell has traveled over a million miles since his paralysis, including rafting and flying his plane. A regular car is the best and easiest vehicle for Mitchell. A wheelchair (handicapped) equipped (accessible) hotel room is needed. A roll-in shower is ideal.

AV and Room Set-up

- A lavalier clip-on microphone or headset.
- A ramp for wheelchair access to the stage or platform.
- Proper lighting with either a follow spot or stage lighting. Lighting is important and most hotel conference staff can improve the lighting at no additional expense.
- An unobstructed view of the audience. Someone once said that “an audience that can’t see the speaker, can’t hear the speaker.”

The Introduction

- Optional **audio and video introductions** by President Bill Clinton or Anthony Robbins are available for download from Mitchell’s website in the Meeting Planner section. A written introduction is also available.

Products

Mitchell does not believe it is compatible with his presentation to offer products from the platform. Books, video and audio recordings, transcripts and any other materials will be made available only with advance consultation with the client.
